

Women Cell and NSS organize personality development and various skill-based Entrepreneurship programs in college

Srijan endeavours to inculcate entrepreneurial spirit in young minds and aims at providing a platform where potential is tapped and opportunities are grabbed to assist, nourish and develop aspiring ideas into a business talent. It aims to provide platform so that students can earn based on the avenues we offer them

A Teej Mela was organised in collaboration with the women cell. A number of initiatives for women empowerment and inculcation of entrepreneurship skills among the students were taken.

Home-Science department of the college instills entrepreneurship skills in the students. "EcoWako"- venture is started by students to recycle waste and save energy by converting trash items into creative products like used glass and plastic bottles, clay, jute etc. Into lamps, trays and some decorative items.
