COLLEGE PROFILE

Government College, Sector 14, Gurugram has a unique distinction of its foundation being laid by the First Prime Minister of India Pt. Jawahar Lal Nehru in 1959. The College was blessed by the benign presence of the First President of India Dr. Rajendra Prasad on its first convocation. The First Women Prime Minister of India Smt. Indira Gandhi also graced this college by her visit. Giani Jail Singh, the fifth President of India was among the other dignitaries who visited this college.

The college campus has a nice ambience of greenery, immaculate lawns and a beautiful well-maintained campus sprawling over 32 acres. The college has five girls' hostels named after famous rivers of India Ganga, Narmada, Kaveri, and Saryu. With all modern infrastructural facilities, the college has become an epitome of excellence be it academics, sports, and cultural activities. The college offers a vibrant environment to students to indulge in extra-curricular activities and a wide range of sports activities like Chess, Archery, Basketball, Football, Judo, Cricket, Badminton and Athletics. It nurtures and creates future talent amongst the young girls of the region. These young girls have been bringing laurels to the college in the form of trophies and medals, both in academic and non-academic spheres.

Ever since its inception, the college has been rated as one of the best colleges in the region in the field of education. Thousands of young men and women who passed through the portals of this great institution have made a mark in their personal as well as professional lives and are enjoying a coveted life in society both at home and abroad. At present, the college has over 6924 students on its rolls.

With a rich heritage of moral and culture values of over 60 years and constant upgradation in the field of education, many new job oriented and vocational courses have been added to the existing conventional courses.

On 15th July, 2025, worthy Principal (Dr. Jitender Malik), TPO (Dr. Prachi Gupta) and Placement In-charge (Ms. Sangeeta) attended the "Capacity Building Workshop" on "Prime Minister Internship Scheme" under the chairmanship of Sh. Anurag Rastogi, IAS (Chief Secretary, Haryana) at ITEC, Techno Park, Sonipat. The workshop was aimed to discuss the different parameters to overcome the challenges faced in the pilot implementation of this scheme.

PM Internship Scheme is a remarkable initiative launched by the Indian government, designed to provide valuable internship opportunities for the youth of India. The program, part of the larger vision for skill development and employment, aims to bridge the gap between academic learning and real-world experience by offering internships across the top 500 companies. This initiative not only gives interns hands-on experience in their fields but also equips them with the skills and insights needed to build successful careers in the public sector. This initiative is not just about internships; it's about building a future where every youth has the chance to succeed.

Meeting Held Regarding PMIS Scheme for Batch 2024-25 Mentors
Delhi, India – July 18, 2025 – A crucial meeting was convened today on the college campus, bringing together mentors of the pass-out batch of 2024-25. The primary objective of the gathering was to disseminate vital information received from a recent workshop attended by the Placement TPO, In-charges, and the Principal. The core focus of the discussion was the PMIS Scheme. Mentors were thoroughly briefed on the scheme's objectives, eligibility criteria, and details regarding the associated stipend. A strong emphasis was placed on the importance of encouraging maximum student participation. The Principal also addressed the mentors, reiterating the significance of the PMIS Scheme and highlighting its numerous benefits for students, urging the mentors to actively motivate and guide their mentees towards engagement with the program.

The Sanjeevani Biological Society of Government College for Girls, Sector-14, Gurugram, in collaboration with United for Air NGO and CSR initiative of Carrier, organized a thought-provoking guest lecture on the topic "Nature Conservation: Protecting Our Future" under the chairmanship of Dr. Jitendra Malik, Principal, GCG-14 on 29.07.2025.

We were honoured to have Mr. Saurabh Mendirata as our guest speakers, who shared their valuable insights and expertise on importance of conserving nature and biodiversity. The students were inspired to initiate and participate in conservation related projects, campaign and research. The students gained practical ideas for adopting eco- friendly lifestyle choices and initiating green projects.

The event was a huge success, with enthusiastic participation from students and faculty members. To make the event engaging a quiz was conducted and top 15 students were awarded with prizes.

We would like to extend our gratitude to United for Air NGO for their support and expertise. We also appreciate the efforts of our Sanjeevani Biological Society members in making this event a success.

We should continue to work together towards building a sustainable future.

EVENTS SEPTEMBER

"SLPC- A New Initiative for Better Expansion"

The Student-Led Placement Cell (SLPC) is a strategic initiative to translate the vision of the National Education Policy (NEP) 2020 into practical outcomes. A student-centric approach lies at the heart of the SLPC, driving the creation of a dynamic ecosystem that prioritizes career readiness, skill enhancement, and meaningful industry engagement. Designed to be both practical and inclusive, this framework equips students to explore diverse opportunities and transition confidently into the world of work.

In August, 2025, Placement Cell has initiated a step in establishing the Student-Led Placement Cell (SLPC) at Government College for Girls, Sector-14, Gurugram, in collaboration with Medha. This student-driven body was effectively directed by Dr. Jitendra Malik (Principal) and successfully organised by the team of Placement Cell led by Dr. Prachi Gupta, Assistant Professor Biotechnology (Training & Placement Officer) joined by Ms. Sangeeta (Biotechnology). The support was facilitated by Mr. Sajal Mishra, Pankaj Kohli and Ms. Deeksha Singh from Medha.

An engaging orientation on the Student Led Placement Cell (SLPC) was conducted in online mode on 14th August 2025, where 15 enthusiastic students were finally selected from a pool of 40 registered applicants. During the orientation, the SOP of the Student Led Placement Cell (SLPC) was discussed with the selected students, and a clear roadmap for the future was outlined. The Placement Cell is now thrilled to announce the official establishment of the SLPC at Government College for Women, Sector 14, Gurugram, with a dynamic team of 10-15 enthusiastic students.

In the presence of the Principal Dr. Jitendra Malik and TPO Dr. Prachi, our SLPC has pledged to strengthen alumni connect and industry academia linkages which will open doors to greater opportunities, real world exposure and leadership growth for students while paving their path to successful careers.
