

GOVT COLLEGE FOR GIRLS

SECTOR 14, GURUGRAM

ANNUAL REPORT 2025-26

प्राचार्य सन्देश

आज का युग तीव्र परिवर्तन और नई संभावनाओं का युग है। भारत निरंतर प्रगति के पथ पर अग्रसर है और इस विकास यात्रा में शिक्षा की भूमिका अत्यंत महत्वपूर्ण हो जाती है। शिक्षा केवल ज्ञान अर्जन का माध्यम नहीं, बल्कि व्यक्तित्व निर्माण, नैतिक मूल्यों के संवर्धन और समाज के प्रति उत्तरदायित्व विकसित करने का सशक्त साधन है। हमारा उद्देश्य विद्यार्थियों को केवल शैक्षणिक रूप से सक्षम बनाना ही नहीं, बल्कि उन्हें आत्मनिर्भर, सृजनशील और जागरूक नागरिक के रूप में विकसित करना है। वर्तमान प्रतिस्पर्धात्मक परिवेश में यह आवश्यक है कि विद्यार्थी नवाचार, अनुशासन और सकारात्मक सोच के साथ आगे बढ़ें। महाविद्यालय सदैव इस दिशा में प्रयासरत है कि छात्रों को उत्कृष्ट शैक्षणिक वातावरण के साथ-साथ सांस्कृतिक, खेलकूद और सह-पाठ्यक्रम गतिविधियों में भी समान अवसर प्राप्त हों। हमारे शिक्षकों का समर्पण, अनुभव और मार्गदर्शन विद्यार्थियों के सर्वांगीण विकास में महत्वपूर्ण भूमिका निभाता है। मुझे यह बताते हुए प्रसन्नता हो रही है कि हमारे विद्यार्थियों ने विभिन्न क्षेत्रों में उल्लेखनीय उपलब्धियाँ हासिल की हैं, जो महाविद्यालय के लिए गर्व का विषय हैं। यह सफलता शिक्षकों, कर्मचारियों और विद्यार्थियों के सामूहिक प्रयास का परिणाम है। मैं सभी विद्यार्थियों को प्रेरित करता हूँ कि वे अपने लक्ष्यों के प्रति समर्पित रहें, नैतिक मूल्यों को अपनाएँ और समाज के विकास में सक्रिय योगदान दें। मुझे पूर्ण विश्वास है कि हमारा महाविद्यालय भविष्य में भी उत्कृष्टता के नए आयाम स्थापित करता रहेगा।

College Profile

Government College, Sector 14, Gurugram, holds a prestigious place in the educational landscape of Haryana with its foundation laid by the First Prime Minister of India, Pandit Jawaharlal Nehru, in 1959. The college was honored by the presence of the First President of India, Dr. Rajendra Prasad, during its first convocation. Over the years, it has also been graced by eminent leaders such as Smt. Indira Gandhi, the first woman Prime Minister of India, and Giani Zail Singh, the fifth President of India. The college is spread over a serene and lush green campus of 32 acres, adorned with well-maintained lawns and state-of-the-art infrastructure. It boasts five girls' hostels named after Indian rivers—Ganga, Narmada, Kaveri, and Saryu—providing safe and comfortable accommodation.

The college offers a vibrant atmosphere for holistic development through a wide array of academic, cultural, and sports activities. Students actively participate in various sports such as Chess, Archery, Basketball, Football, Judo, Cricket, Badminton, and Athletics, bringing laurels to the institution. With over 6721 students currently enrolled, the college has consistently maintained a reputation as one of the leading educational institutions in the region. Thousands of alumni have made significant contributions both in India and abroad, having been nurtured in the values and traditions upheld by the college. Constantly evolving with time, the college has introduced job-oriented and vocational courses alongside conventional programs to keep pace with modern educational demands.

College Staff

The college functions under the dynamic leadership of Principal Dr. Jitender Malik. A dedicated team of 9 Professors, 16 Associate Professors, 100 Assistant Professors, 83 Extension Lecturers and 03 Guest Lecturers work tirelessly to impart quality education. The administrative and support staff includes 3 clerks, one assistant, 3 library attendants, 2 junior lab attendants, 04 Table Player, 02 sweepers, 03 peons, one chowkidar, 46 Contractual under HKRN and 03 Contractual non teaching staff.

Retirements

During this session, Dr. Sunita Arora, Professor of Commerce retired on 30th September 2025, Sh Satish Kumar, Restorer retired on 31st October 2025 and Smt. Omwati, Sweeper

retired on 30th November 2025 from this college after rendering praiseworthy service. They deserve our appreciation for their rich contribution to the institution. We wish for their healthy and glorious retired lives.

College Bursar

All financial matters are efficiently handled under the able direction of Ms Shalini from the Department of Commerce, ensuring transparency and proper fund management in all transactions.

College Library

The college takes immense pride in its spacious, well-equipped, and aesthetically maintained library. It houses more than 62,019 books catering to the diverse academic needs of students and faculty. The library subscribes to 16 newspapers and magazines in both English and Hindi. With a seating capacity of 140, it provides separate reading sections for students and faculty. A designated periodical and archive section preserves the rich history of the institution. The library remains open from 9:00 AM to 4:00 PM on all working days.

To enhance accessibility, four OPAC machines have been installed, enabling students to locate books and resources easily. OPAC also provides access to remote e-resources such as N-LIST and NDLI. The library is equipped with seven computers and three printers for student use. Help desks are available to assist students in locating material, and a suggestion box ensures regular feedback for service improvement, implemented with the Principal's approval.

College Magazine

The annual college magazine '*Ramneek*' offers a platform to showcase the literary and creative talent of both students and faculty. Divided into three sections—English, Hindi, and Sanskrit—each section has one teacher and one student editor. Dr. Sonia from the Department of Hindi is the Editor-in-Chief, while Smt. Yogita Bajaj from the Department of English is the Editor for the English section. The magazine features articles, poems, and write-ups on current issues, fostering creativity and encouraging literary pursuits among students.

College Website

The college maintains a well-structured and regularly updated website www.gcggn.ac.in, which offers comprehensive information regarding staff, departments, courses, syllabi, admissions, scholarships, events, and more. It serves as a digital gateway for prospective students and stakeholders to access the institution's resources and latest announcements.

National Service Scheme (NSS)

The NSS units of Government College for Girls, Sector-14, Gurugram actively organized and participated in various extension and community service activities during the academic session 2025–26, upholding the motto “Service Before Self.”

An Admission Help Desk was set up to assist new students and parents with the admission process, documentation, anti-ragging formalities, and campus navigation. Under the Har Ghar Tiranga Campaign, a Tiranga Rally was organized on 13th August 2025 to promote patriotism and national unity.

The NSS Orientation Programme held on 20th September 2025 introduced new volunteers to NSS values and included awareness sessions on women safety. National Unity Day was celebrated on 31st October 2025 with activities such as Unity Run, march, debates, and essay writing competitions to promote national integration. The college also observed Janjatiya Gaurav Divas to highlight tribal heritage and contributions.

Additionally, three one-day NSS camps were organized focusing on cleanliness drives and awareness campaigns.

A major highlight of the session was the Seven-Day NSS Special Camp (23rd–29th January 2026) at Chandan Nagar. The camp included an NCD and Anemia Screening Camp in collaboration with the Health Department. Volunteers conducted awareness drives on health, sanitation, voter awareness, and traffic rules. Cultural activities such as street plays and a Swadeshi fair were also organized, along with a blood donation camp.

NSS Achievements

NSS volunteers brought laurels to the institution through their remarkable achievements:

* Ms. Kriti* represented the college at the Republic Day Camp and was awarded Best Volunteer at the NIC Camp.

* Ms. Hema Rani* participated in the Adventure Camp and NIC Camp.

* Ms. Nishtha* participated in the Adventure Camp and Youth Parliament at district and state levels, securing First Position at the District Level.

* Ms. Jyoti* participated in the NIC Camp and won Gold and Silver Medals along with trophies.

* Ms. Rani* participated in the ULC Camp and secured a Bronze Medal.

* Ms. Mansi Saini* participated in the Adventure Camp.

Overall, the NSS units demonstrated commendable dedication towards community service, social awareness, and holistic student development.

(ii) The Day celebration committee of Govt. College for Girls, Sector-14, Gurugram successfully organized second round of District-Level Declamation contest and Quiz competition on 17 January 2026. Organized on the auspicious occasion of Saraswati Mahotsav, the event escalated to a prestigious featuring five elite teams from various colleges across the district.

Road Safety Committee

The Road Safety Committee of our college has been actively promoting awareness of traffic rules and responsible road behaviour among students. Through various initiatives, the committee continues to encourage a culture of safety and discipline on the roads.

Recently, Haryana Police organised a Road Safety Quiz Competition across various colleges to enhance students' knowledge of traffic laws and safe driving practices. A total of ten colleges from the Gurugram district participated in this competition.

The selected students from all participating colleges advanced to the second round, which was hosted by our institution, Government College for Girls, Sector 14, Gurugram, on 20th November 2025.

We are immensely proud to share that in the third round of the competition, our student, Ananya Kumari, was selected for the state-level round. Her achievement is a matter of great pride for the entire college.

In December 2025, the Road Safety Club also organised an oath-taking ceremony and a signature campaign to further strengthen awareness regarding road safety. Students actively participated in these activities, took pledge to follow traffic rules and promote safe practices in their daily lives.

As part of our continued efforts to promote road safety, manuals related to traffic awareness were also distributed among students.

Placement Cell

The 2025-26 academic year reached a significant milestone with the hosting of a Mega Placement Fair 2026 for the Gurugram Division at the Govt College for Girls, Sec-14 campus on 10th Feb 2026. This high-impact event served as a vital regional employment hub, drawing approximately 800 ambitious students from multiple colleges across the division to kickstart their professional journeys. A diverse cohort of 25 to 30 prominent companies established recruitment desks, offering an extensive array of job profiles across various sectors. Industry leaders in attendance included healthcare giants such as Healthians, Fortis, and Meditree; Retail and FMCG experts like V-Mart and Pukhraj; and top-tier IT and Business Services firms including Startek, Concentrix, and Skybridge. The fair saw intense engagement, with recruiters conducting rigorous selection processes through multiple rounds of interviews, group discussions, and aptitude tests to identify top talent.

Prior to this large-scale event, the Placement Cell successfully conducted a series of awareness sessions focused on the PM Internship Scheme (PMIS) in the month of July 2025. This landmark government initiative was designed to provide India's youth with internship opportunities in the nation's top 500 companies, effectively bridging the gap between academic learning and real-world experience. Furthermore, in August 2025, the Cell spearheaded the strategic establishment of a Student-Led Placement Cell (SLPC), a transformative move to translate the National Education Policy (NEP) 2020 into practical outcomes. Driven by a student-centric approach, the SLPC fosters a dynamic ecosystem that prioritizes career readiness, skill enhancement, and meaningful industry engagement. This inclusive framework was designed to empower students to lead their own professional

development, equipping them to explore diverse opportunities and enter the workforce as proactive, self-reliant professionals. Collectively, these initiatives have solidified the college's reputation as a premier institution for career excellence and industry-aligned education.

To prepare students for specialized professional environments, the cell organised several extension lectures featuring industry experts through-out the year. The core focus of these sessions moved beyond textbooks to cover institutional protocols, practical skill sets, and essential soft skills such as adaptability and work prioritisation. These lectures served as a vital platform for students aiming for the corporate healthcare sector. The high level of student engagement and enthusiastic participation demonstrated a clear readiness to transition into professional roles with confidence.

The Placement Cell remains committed to empowering students by providing them with the tools to excel in both public initiatives and private enterprises. The success of the 2025-26 term sets a strong foundation for future industry-academia collaborations.

Hostel Activities

17th November 2025-22th November 2025- A six-day workshop on Self-Defense was organised by the Women Cell in the hostel of Govt College for Girls, Sector-14, Gurugram, from 17th November 2025 to 22nd November 2025. The main objective of this Workshop is to empower participants with the confidence and skills needed to protect themselves in difficult or unsafe situations.

The workshop was conducted by Instructor Mr. Wasim Raja, a certified self-defence trainer with extensive experience in women's safety programs. He demonstrated practical techniques such as basic strikes, blocks, escape methods, and situational awareness strategies. Nearly 600 students from all the hostels (Yamuna, Saraswati, Ganga, and Kaveri) gained practical skills and also developed a strong sense of confidence, self-belief, and responsibility toward their own safety from this six-day self-defence workshop.

11th December 2025- 50 students of the Hostel attended the Program in Appereal House Gurugram in the memory of Guru TejBhadur. Honorable Chief Minister of Haryana Shri. Nayab Saini, Shri. Anupam Kher, Cabinet Minister Rao Narbir Singh and Shri Mukesh MLA Gurugram graced the occasion by their presence.

20 March 2025- 50 Students of the Hostel attended the International Exhibition cum Conference on the Power and Energy Sector.

Cultural Activities

The academic year 2025–26 witnessed remarkable enthusiasm and participation in co-curricular activities, reflecting the vibrant talent and spirit of the students.

A Talent Search Program was organised at GCG, Sector 14, Gurugram on 4th and 6th October 2025. The event provided a platform for students to showcase their abilities across various categories. A large number of students participated with great zeal and creativity. Based on their performances, talented students were shortlisted to represent the college at the upcoming Youth Festival.

Subsequently, the Youth Festival was held from 12th to 14th November 2025. A total of 156 students participated in 40 different categories, demonstrating excellence in cultural, literary, and artistic events. The participants displayed exceptional skills, dedication, and team spirit throughout the festival.

The students brought laurels to the college by delivering outstanding performances and achieving notable success. Their accomplishments not only highlighted their individual talents but also enhanced the reputation of the institution.

Eco Club Activities

Our college organized a vibrant **Environment Awareness- “A Day Long Bazaar”** under Eco-Club sponsored by Department of Higher Education, Panchkula, under the Guidance of Principal, Dr. Jitendra Malik and Convener, Dr. Anjana Anand (Botany Dept.) which turned into a festival of ideas, creativity, and sustainability. The initiative was designed to spread the message of eco-conscious living among students while providing them with opportunities to showcase their talents through competitions, stalls and interactive events. The program extended over multiple days, with each phase contributing to the larger goal of environmental sensitization.

College theme: “Eco-Bazaar: Showcasing Green Ideas and Innovations”

Objectives:

- Promote Environmental Awareness
- Encourage Sustainable Practices
- Provide a Platform for Creativity
- Foster Teamwork and Participation
- Bridge Learning with Action
- Promote Green Entrepreneurship
- Strengthen Community Engagement
- Celebrate Environmental Stewardship

The journey began on 20th and 21st August 2025 with a series of intra-college competitions. **Students enthusiastically participated in a variety of events such as** Rangoli on environmental themes, an Environment Quiz, recycled plastic items/tyres, art and craft materials from waste, Poster Making, and Slogan Writing. **The Rangoli competition added color and creativity to the campus with designs portraying harmony with nature. The quiz tested students’ knowledge of pressing environmental issues and solutions. In art and craft materials from waste, participants stunned the audience by creating useful and decorative items out of discarded materials, thereby reinforcing the idea of recycling. Poster making and slogan writing allowed students to express their awareness through powerful visuals and catchy lines, leaving a lasting impression.**

Major highlights under this program are:

1. Intra college competitions on Poster making, slogan writing, best out of waste from art and craft materials, Rangoli, Environmental Quiz, Recycled plastic items and use of tyres on 20th Aug. 2025.
2. **Extension lecture on carbon footprint mitigation measures and Foot March to aware about Plastic Free Day and Car Free Day on 21st Aug. 2025**

On the occasion of "Environment Awareness –A Day long Bazaar", a Guest Lecture was organized on the topic 'Awareness session on reducing carbon footprint for Sustainable Life' on 21st August 2025 by the Chemistry Department, GCG sec 14. The invited resource person was Mr. SaurabhMehendiratta, who is associated with United Way of Delhi, NCR as Technical Lead. Mr. SaurabhMehendiratta leads environmental technology initiatives at United Way of Delhi NCR. With prior experience at CEEW, he has worked on air quality sensor networks and data-driven environmental solutions. His expertise lies in using environmental data for impactful policy and community-driven sustainability. He also holds certifications in climate, ESG and project management.

Environment Awareness': "A Day Long Bazaar"

Intra college "Environment Quiz Competition"- 21st August, 2025

To sensitize the students and other target groups about environmental concerns and to promote sustainable living, an intra-college quiz competition was organized on 21st Aug.2025 at Govt. College for Girls, Sector-14, Gurugram under Directorate of Higher Education, Haryana's initiative of 'Environment Awareness': "Long Day Bazaar".

The competition witnessed enthusiastic participation from the students across the disciplines and classes. The quiz was designed to test the knowledge of participants on topics such as climate change, biodiversity conservation, renewable energy, waste management, and eco-friendly practices etc.

The quiz successfully achieved its objective of spreading environmental awareness in a fun and impactful manner. At the end of the competition prizes were handed over to (Kriti Singh-B.Sc. Bio-Tech III, Archana-B.Sc. Medical III and Vidhiraj- Botany Hons. I) for securing first, second and third positions respectively. These students were selected for intercollege environment quiz competition **held on** 26th August 2025.

3. Inter college Competitions of the same events on 26th Aug. 2025.

The college hosted the same events which were organized at intra college level at inter-college **level on 26th August 2025**. Teams from various colleges came together to compete, exchange perspectives, and share innovative ideas on sustainability. The competitions were marked by a spirit of camaraderie and a healthy exchange of knowledge. The inter-college participation not only added prestige to the event but also highlighted the common concern among young people about protecting the environment.

A total of 5 colleges (G.C.G sec 14, Gurugram, Dronacharya Govt. College, Government P.G. College sec-9, D.P.G College Gurugram, SurajP.G.College, Gurugram) participated in six different events where prizes were handed over to students for securing 1st, 2nd and 3rd positions.

The final highlight of the “Long DayBazaar” was on 30thSeptember, when the auditorium of our campus was transformed into a lively hub of eco-friendly stalls. Students set up stalls displaying handmade products, recycled crafts, organic items, and other sustainable alternatives. These stalls not only drew large crowds but also encouraged practical adoption of green practices. The initiative also allowed students to experience entrepreneurship while spreading awareness about eco-friendly lifestyles.

4. Events planned for 30thAugust 2025

Lecture-cum workshop

Topic: Compost Making by Rajni Negi (a team member of the United for Air Campaign at United Way Delhi) and Ajay (Computer Science and Engineering Professional, contributing as a volunteer with United Way Delhi, who also engaged in initiatives aimed at making Gurugram air cleaner through continuous air pollution monitoring and awareness efforts).

Stalls, 30th August 2025

Eco-friendly Diyas, Handmade Jewellery, Ring thing Game, Miniature of Green and Blue Dustbins, Jute bags/Bags from old clothes, Art and craft materials, Recycled plastic items/Tyre, Skits/ street plays with environmental messages, Tree Sapling Distribution Counter, Eco-Art Gallery (posters, paintings, and recycled art), 3 stalls by NGOs- United Way of Delhi NCR, BulandAwaaz Welfare Society and Color Code Foundation.

The entire series of events was met with remarkable enthusiasm and wholehearted participation. From colorful Rangolis to thought-provoking posters and creative stalls, the bazaar proved to be a successful blend of fun, learning, and awareness. It created an atmosphere where students learned the importance of individual responsibility in safeguarding the environment.

Outcome of the activities:

The activities of “Environment Awareness- A Day Long Bazaar” turned out to be a grand success and fulfilled their objectives effectively:

Spread awareness about eco-friendly practices.

Boosted creativity and skills through competitions. Participants enhanced their creativity through Rangoli, Poster-making, and Slogan writing on eco-themes. The “Best out of Waste” competition promoted innovation and practical application of sustainable practices.

1. Promoted eco-friendly practices, teamwork and collaboration.
2. Encouraged use of sustainable alternatives.
3. Engaged students, teachers, and community.
4. Inspired long-term commitment to environment protection and for future action.

In conclusion, the Environment Awareness- “A Day Long Bazaar” was a meaningful movement within the college. It left behind a strong message – that collective effort, creativity, and commitment can indeed pave the way for a greener and more sustainable future. It ended under the guidance of Respected Principal Sir, Dr. Jitendra Malik and vote of thanks by the convener Dr. Anjana Anand.

Department Of Economics

The department of Economics presents its annual report for the academic session 2025-26, highlighting the key academic and co-curricular activities during the year.

1. Poster making Competition (14th October 2025)

The department organized a Poster Making Competition on the Theme “Green Economics and Sustainable Development. “The competition aimed to sensitize students towards pressing environmental challenges and encourage innovative thinking. Winners were awarded and all participants were appreciated for their efforts.

2. Budget Discussion (9th February 2026)

A Budget Discussion session was conducted to analyze and understand the union Budget. Faculty members and students actively participated in deliberations on key aspects such as fiscal policies, taxation, public expenditure, and their impact on the economy.

3. International Conference (13th February 2026)

The department of economics (Gurugram University) organized an international conference on 13th February 2026 at Gurugram University on the Theme “Human Well-being Beyond GDP: Towards Holistic Measures of Development for Viksit Bharat@2047.” From GCG sector 14 Gurugram our faculty Member Dr. Monika Narula presented her paper and Dr. Anju Yadav attended the conference. Students of Major in Economics from first year and 2nd year also present their research paper in this conference.

Department of Chemistry

The Department of Chemistry organized several events for the academic year 2025-26 to spread awareness about general scientific temperament among students.

On the occasion of Environment Awareness - “Day long Bazaar”, a Guest Lecture was organised on the topic ‘Awareness session on reducing carbon footprint for Sustainable Life’

on 21st August 2025 by the Chemistry Department in seminar hall. The invited resource person was Mr. Saurabh Mehendiratta, who is associated with United Way of Delhi, NCR as Technical Lead. The lecture commenced with a welcome speech by Ms. Sonam Baghel, was attended by all the faculty members and more than 150 students of 1st, 2nd and 3rd year. The event, organised under the guidance of Principal Sir, Dr. Jitendra Malik, discussed impacts of carbon footprint and how to reduce the carbon footprint emphasizing on Reduce, Reuse, Refill, Repair and Repurpose, Replace, and Recycle. The event was concluded with the vote of thanks by Ms. Khushbu Jain, HOD, Chemistry Department. Additionally, a foot march was also done by students along with the faculty members to promote “car free” and “plastic free” for enabling sustainable lifestyles.

Several faculty members from the department gave their valuable contribution during the District Level Essay Writing Competition held on 8th October 2025. The event promoted scientific writing and critical thinking among students.

Next, on October 15th 2025, Chemistry Department and Sanitation Hygiene Committee of GCG Sec 14, in collaboration with Unicharm India, organized a knowledge session on “Menstrual Hygiene” in the seminar hall. The invited speaker, Ms. Ankita Sukhwai serves as the Senior Executive CSR for Unicharm India. The session elaborated on key points related to menstrual health and management. The training program helped in spreading awareness regarding menstrual health and management among the students. The session was attended by more than 100 students from all streams and several faculty members. The session entailed a comprehensive understanding on the what, why and how of menstruation consisting of the meaning of menstruation, develop a biological understanding, talk on related social taboos and to make them aware of hygiene practices to be maintained during menstruation. The participating students also received a free sample of sanitary napkins by the corporate partner.

On 31st January, 2026, Interdistrict Level Science Exhibition was held in Govt. PG Nehru College, Jhajjar. For this competition, Komal (BSc NM 3rd Yr, Roll No. 1230518007) and Simran (BSc Biotech 3rd Yr, Roll No. 1231216020) presented a model on “AI Model for Biofuel and Environmental Management”. From chemistry department, Ms. Sonam Baghel, Ms. Dypsy Khapra and Ms. Pooja Yadav were teachers in charge. Simran (BSc Biotech 3rd Yr, Roll No. 1231216020) won the best presenter award for the same.

Date - August 21st 2025, event - ‘Awareness session on reducing carbon footprint for Sustainable Life’, invited speaker - Mr. Saurabh Mehendiratta

Date - October 15th 2025, event = “Menstrual Hygiene”, invited speaker, Ms. Ankita Sukhwai

Date - 31st January, 2026, event - Interdistrict Level Science Exhibition held in Govt. PG Nehru College, Jhajjar. Simran (BSc Biotech 3rd Yr, Roll No. 1231216020) won the best presenter award for the same.

Department Of Zoology

The Zoology Department contributed in organizing various activities in the session 2025-2026, promoting academic excellence, awareness, and community engagement.

1. District Level Science Quiz (10th September 2026): Faculty members helped organize this event, encouraging students to showcase their scientific knowledge.
2. District Level Essay Writing Competition (8th October 2025): The event promoted scientific writing and critical thinking among students.
3. Extension Lecture on Organ Donation and Transplantation (18th November 2025): Dr. Aparajita Verma, COO, ORGAN India, delivered a lecture, raising awareness about organ donation.
4. District Level Science Exhibition (31st January 2026): Mahak and Muskan ((link unavailable) Life Sciences 1st year) presented a model on "Integrated Pest Management" at Government College, Jhajjar.
5. Extension Lecture on Internship (13th March 2026): The lecture guided students on internship opportunities and career prospects.

These activities enriched students' learning experiences, fostered scientific temper, and promoted community engagement.

Department of Home Science

Under the 'Rashtriya Poshan Maah' (Nutrition Month) initiative, a two-day culinary workshop on "*Nutritious Snacks and Salads*" was conducted on 19th and 20th September 2025. The workshop was inaugurated by Mr Karan Singh Nirmaniya from Literacy India Organisation and aimed at promoting healthy dietary practices among students. A one-day lecture on "Healthy Lifestyle" was delivered by Dietitian Ms Sheela Sehrawat on 24th September 2025, emphasising balanced nutrition and preventive health care. A poster-making competition on the theme "*Healthy Diet for a Healthy Future / Poshan Bhi, Padhai Bhi*" was organised on 13th October 2025 to encourage awareness through creative expression. On 14th October 2025, a medical health check-up camp and yoga session were conducted in collaboration with the Department of AYUSH, promoting physical and mental well-being. Further, on 15th October 2025, students and faculty organised a nutrition rally and food distribution drive for underprivileged women and children, reinforcing social responsibility. In the area of environmental awareness, a "Long Day Bazaar for Sustainable Living" was organised on 20th August 2025, featuring activities such as Rangoli, Best Out of Waste, and

Art & Craft competitions to promote eco-friendly practices. The department also conducted Talent Search Competitions on 4th October 2025 for the Youth Festival, including Painting, Poster Making, Cartooning, Rangoli, Clay Modelling, and Best Out of Waste, providing a platform for students' creative talents. To enhance subject-specific knowledge, a lecture on "Textile Testing, Care and Maintenance" was organised on 11th March 2026 by the T35 Foundation Organisation. An extension lecture on "Beauty and Wellness" by Yes Madam Organisation provided insights into personal care and career opportunities in the wellness sector. Additionally, a Batik Workshop was conducted on 8th April 2026 for students of Home Science, SEC, and VOC courses, offering hands-on training in traditional textile techniques.

Department of Physical Education

The college proudly organized its Annual Athletic Meet and National Sports Day celebrations with great enthusiasm and participation during the academic year 2025–26. National Sports Day was commemorated from 28th to 30th August 2025, marking the birth anniversary of hockey legend Major Dhyan Chand, with a series of events including fitness drives, inter-departmental competitions, and awareness programs highlighting the importance of physical activity and sportsmanship. The celebrations witnessed active involvement from students, faculty, and staff, fostering a spirit of unity and healthy competition. Subsequently, the Annual Athletic Meet was successfully conducted on 21st and 22nd November 2025, featuring a wide range of track and field events. The meet provided a platform for students to showcase their athletic talents and discipline, while promoting values of teamwork, perseverance, and fair play. The events concluded with a prize distribution ceremony where outstanding performers were felicitated, making the entire sporting calendar a memorable and enriching experience for the institution.

Department Of Botany

***29 July 2025:** Orientation for the students of B.Sc Major in Botany and B.Sc Life Sciences Ist year Students was organized by Botany Department in Room no. 43 at 9:45 am-11:00 am.

***29 July 2025:** Sanjeevani Biological Society along with United For Air conducted an interactive session on Nature Conservation on the topic entitled "Nature First Our Duty, Our Responsibility by the Speaker Mr. Saurabh Mendirata in Room no. 43, 11:00 am Onwards.

***25 August 2025:** An Extension Lecture organised by Sanjeevani Biological Society in collaboration with United for Air to Aware students about Water conservation. The Lecture was conducted by the Speaker Mr. Gaurav Sharma.

*** 30 August 2025:** Botany Department conducted a Lecture cum Workshop on "Compost making for the under graduate students to celebrate Environment Awareness - A lony Day Bazaar for Sustainable Living for a Greener Future. Mrs. Rajni Negi, Member of united for Air, Campaign at United Way Delhi.

***10 Sept 2025:** Members of Botany Department performed various duties in organization of District Level Science Quiz held on 10th Sept 2025 in the College.

*** 17 Sept 2025:** Intra- College Science Essay Writing Competition is Organized by Botany Department on 17th Sept 2025 for all undergraduate Science Students.

15thOctober2025 - "Awakening the Forgotten Lives"-Plantative Drive organized by Department of Botany to celebrate Green Diwali by Native Tree. Ms. Archana Soota, Retd. Principal, Govt. College Kharkhera is invited as chief Guest.

13th Feb 2025: 40 students of Botany Department along with Ms. Sanjeela Punia, Ms. Rimple Khicher, Ms. Shivani Verma and Ms. Madhu visited Aravali Forest (Mangar Bani) for a nature Walk/Excursion visited Organised by United For Air.

21 Feb 2025:Vegetation Survey [Long-Term Vegetation Monitoring] at Aravali Nagar Van, Gurugram is attended by Ms. Rakhi Kaushik, Ms. Madhu, Ms. Kajal and Ms. Riya Tripathy along with the students.

**** 11 newly appointed Assistant Professors** joined in Botany Department in this session.

Departmental of Commerce

An Orientation program was conducted on 21 July 2025 for new entrants to introduced them to the life at the institute and facilitate smooth transition in your life.

An online workshop on how to land a high paying job in Big 4 and MNC was organised for the students in collaboration with Classplus on 25th July 2025 at 12:00 noon.

An extension lecture on career counselling was organised on 4th August 2025 on the occasion of International Commerce Day for the students.

A workshop on "Palin Analytics- empowering futures with data and digital"was organised for the students on 9th September 2025 at 12:00 noon in room number 43 for their career advancement.

A Commerce fest 2025-26 "Dhamaal" was organised on 17th and 18th September 2025. Students participated in various competition like Mehndi competition, best out of waste, pot decoration, poem recitation, business ideas, poster making, slogan etc.

Department of Sanskrit

In the session 2025-26 Sanskrit Department had organised a Shlokuchcharan competition on 19th August 2025. Department organized a shlok declamation competition on 24 Sep 2025 and essay writing competition on 25 Sep 2025. Therefore, On the occasion of Talent search program the department was organised Sanskrit shlokcompetition , Sanskrit Play, Sanskrit speech competitions solo sanskrit song competition from 3rd Oct - 6th Oct 2025. All the girls' students participate in it with great enthusiasm.

Department organized letter writing competition on 17th February 2026. Essay writing competition on 19th March 2026. Finally Sanskrit Department organized Sanskrit Quiz competition on 11th April 2026. In this competition, all the students participated enthusiastically. All the faculty members doing well organized the

Department Of Biotechnology

1. Orientation Programme (22.08.25)

An Orientation Programme was organized for the B.Sc. Biotechnology first year students. The session aimed at acquainting the students with each other as well as to acclimatize them to the new academic environment. During the session, students were introduced to the field of Biotechnology, and their syllabus, lesson plan, internal assessment and examination pattern according to the New Education Policy (NEP-2020) was discussed. The students were also apprised of the career and higher education opportunities after graduation.

2. Bio-Innovate: Creative Science Competition (29.09.2025)

The Department of Biotechnology's "**Bioinnovate**" event engaged approximately 50 students through creative competitions. Highlights included **Science Reel Making**, featuring digital projects on "DNA-Blueprint of Life" by Teena and Manisha, and **Science Bookmark Making**, won by Prapti Sharma. Coordinated by Dr. Prachi Gupta, Ms. Sangeeta, and Ms. Mansi Arora, the initiative successfully showcased biotechnology concepts through innovative media.

3. Educational Field Visit to Amity University (13.03.2026)

The Department of Biotechnology organized an educational visit to Amity University for B.Sc. students, led by Dr. Prachi Gupta, Ms. Sangeeta, and Dr. Nisha. The visit bridged the gap between theory and industry by providing hands-on exposure to: Animal Cell Culture (ACC) tools & techniques Molecular Workflows like Advanced DNA/RNA extraction techniques, High-End Instrumentation like Practical demonstrations of PCR Thermal Cyclers, HPLC, and High-Speed Refrigerated Centrifuges. This experience successfully upgraded the students' technical competency and provided a clearer vision for their future research and career pathways.

Department Of Hindi

Many activities were organized in the Hindi Department during the annual session 2025-26.

1) On 7-8-2025, a poster competition was organized to commemorate Hindi Diwas, in which students were awarded first, second, third, and consolation prizes.

2) On October 4, 2025, the Hindi Department organized a poetry and speech competition in the college, in which students participated enthusiastically. Students who placed first, second, and third were awarded prizes.

3) On October 15, 2025, Dr. Naresh Mishra presented a detailed lecture on the topics of Hindi language and standardization and the scientific nature of the Hindi language to enhance the knowledge of the students.

4) On 27 February 2026, a detailed lecture was presented by Shri Bhagwandas Ji Morwal, a famous writer of Hindi literature world, on the topics of the process of perception of literature and the process of creation of literature.

Department of Physics

District Level Science Quiz was held on 10 September, 2025. Our team participated in Zonal level quiz competition on 17th February 2026. Science Exhibition (Department Level) was held on 7th Nov., 2025. Science Exhibition (State Level) was held on 7th December 2025. Physics Exhibition (District Level) was held on 31 January, 2026.

Department of English

The Department of English proudly presents its Annual Report for the academic session 2025–26, highlighting the major academic and co-curricular activities conducted throughout the year to enrich students' knowledge, communication skills, and literary understanding.

Intra-College Debate Competition (14th October 2025) & Soft Skills Workshop (31st October 2025)

An Intra-College Debate Competition was organised by the Department of English on 14th October 2025. Students from B.A., B.Sc., and B.Com streams participated in large numbers. The Head of the Department addressed the students on the importance of effective speaking skills and critical thinking. The event encouraged students to articulate their ideas confidently and develop persuasive communication abilities.

A Soft Skills Workshop was successfully organised on 31st October 2025. The workshop focused on the importance of effective communication and the role of grammar in enhancing personality and confidence. Students actively engaged in the session and gained valuable insights into improving their interpersonal and professional communication skills.

Elocution Competition (6th November 2025) & Poetic Recitation Competition (17th November 2025)

The Department of English organised an Elocution Competition on 6th November 2025 in Room No. 11. More than 15 students enthusiastically participated in the event. The competition was graced by the presence of faculty members, and the students displayed remarkable confidence, clarity of thought, and speaking skills. The event provided an excellent platform for nurturing public speaking abilities and boosting students' confidence.

A Poetic Recitation Competition was organised on 17th November 2025 by the department. The event witnessed enthusiastic participation, with 26 students presenting a diverse range of poems, from Shakespearean verses to self-composed poems. The competition not only celebrated literary appreciation but also encouraged expression, voice modulation, and stage confidence among students.

Workshop on Indian Literary Theory (8th April 2026) & Essay Writing Competition (10th April 2026)

On 8th April 2026, the department organised a workshop-cum-lecture on Indian Literary Theory with the objective of introducing students to the core principles of Indian literary thought. The session aimed at helping students understand the rich aesthetic tradition embedded in ancient Indian literature, thereby deepening their appreciation of India's classical literary heritage.

An Essay Writing Competition was organised on 10th April 2026. The event witnessed enthusiastic participation from students, who showcased their creativity, critical thinking, and writing skills. The competition provided a valuable platform for students to express their ideas effectively through structured academic writing.

Department Of Geography

| Month | Events |
|---|--|
| 31 st January, 2026 | Participated in District Level Science Exhibition' Model, "model theme on 'Remote Sensing Monitoring and mapping forest'" got 3 rd position. |
| 11 th February | Conducting workshop -cum - Extension lecture topic on 'Research and Field Work in Geography' by resource person Dr. Simran Sehrawat, Ms. Saransh, Ms. Suhasini Sehrawat, Ms. Vinita organised by Professor (Dr) Rajesh Kumari. |
| 26 th & 27 th February | Conducting workshop -cum - Extension lecture topic on "Application of Geo-Spatial Techniques" by resource person Ms. Sweety, Ms. Nikku, Ms. Manisha, Ms. Yashika and Ms. Jasmin Khatun by Professor (Dr) Rajesh Kumari. |

- Conduct Field work Survey of B.A. 5th Sem. (Honours) topic on "An Analysis of Biodiversity of Aravali Region: A case study of Aravali Biodevrsity Park, Gurugram", held on 11th October, 2025 organized Dr. Roohi Fatma and Mrs. Sarita Devi by Department of Geography, GCG Sec.-14, Gurugram (Haryana).
- Conduct Field work Survey of B.A. 1st Sem. (Honours) topic on "An Analysis of the Wetland Region: A case Study of Dumduma Lake, Sohna", held on 11th October, 2025 organized by Mrs. Reshma Sharma and Mrs. Sheela Yadav Department of Geography, GCG Sec.-14, Gurugram (Haryana).
- Conduct Field work Survey of MA. 4th Sem. topic on "Physical, Sociol-Economic & Demographic in Dullish Region, Anagram Tensile, Initial District (Astrakhan), organised

by Prof. (Dr) Skuld Singh Kit and Prof. (Dr) Rajesh Kumari held on 31st March - 3rd April, 2026 organized by Department of Geography, GCG Sec.-14, Gurugram (Haryana).

Department Of Music (Vocal)

During the 2025–26 academic session, the Music Department participated in several significant events, beginning in August with International Youth Day, Independence Day flag-hoisting ceremonies, and a performance for the State Level Felicitation of Medical Officers. The department also supported environmental awareness at the "Long Day Bazaar" and collaborated with SPIC MACAY on October 14 for a Dhrupad vocal performance. Competitive success followed at the District Youth Festival (November 6–7), where students secured third place in Haryanvi Group Song, and at the Zonal Youth Festival "Shankhnaad-6" (November 12–15), where the department earned multiple accolades, including first-place finishes in Folk Song and "Sing for Parents," and second-place honors in Qawwali and Western Solo.

Commemorative highlights included a grand collective rendition of "Vande Mataram" for its 150th anniversary on November 7 and a patriotic performance during the Sardar Vallabhbhai Patel Padyatra on November 20. The session concluded with student presentations at the International Gita Mahotsav, Republic Day celebrations, and performances at "Rangotsav" on February 28. Finally, on April 13, 2026, the Registrar of Gurugram University and the College Principal honored the students for their outstanding achievements in an event that also featured performances by the music faculty.

Personal Achievement

Khushbu Jain, Department of Chemistry

1. Oral Paper presentation in **International E-seminar on "Development environmental issues, sustainable development goals and society"** by DGC Gurugram on 29 Sept. 2025.
2. Attended UGC sponsored **Refresher course in Chemistry** by Centre for Professional Development in Higher Education (CPDHE), Delhi University from 04 Nov 2025 to 18 Nov 2025 with **A⁺ grade**.
3. Attended **"Capacity building and mentoring workshop regarding National Education Policy-2020"** organized by DHE, Haryana at DGC Gurugram on 29 Nov. 2025.
4. Oral paper presentation in DHE, Haryana sponsored **International Conference "Sustainable future: multidisciplinary pathways to education, innovation and global wellbeing"** organized by Govt. College for Girls, Sec-52, Gurugram, from 29 to 30 January 2026.

5. Research paper entitled "**Ibuprofen vs. methylene blue: Comparative photocatalytic degradation by pristine CeO₂ in water and implications of zeta potential**" Published in Scopus indexed Wiley journal "**Journal of Chinese Chemical Society**" in March 2026.
6. Book chapter entitled "**Training Technique and Stability of Smart Material Polymer Nanocomposites**" published in **Taylor And Francis** book "Sustainability of Alloys and Polymers of Shape Memory Materials" in April 2026.
7. Oral paper presentation in **International Conference (IC-SFAM 2026) organized by Shivaji college, South campus, Delhi university** from 09 to 10 April 2026.

Dr Sonia yadav , Assistant Professor , Department of Hindi

✓ Presented paper on the topic "बहुभाषिकता, समता और समावेशी अधिगम: भारतीय संदर्भ में विश्लेषणात्मक अध्ययन" in the International Conference on "Sustainable Future: Multidisciplinary Pathways to Education, Innovation and Global Well-being" on 29th -30th January 2026 at Government College for, Girls, Sector-52, Gurugram in collaboration with Government College Rithoj, Gurugram, Haryana.

Dr. Roohi Fatma, Department of Geography

"Elements of Related Field (Chapter)", A **Handbook of Physical Geography**, Edited by Dr. Rashmi Goel (Editor-in-Chief), ISBN-978-81-990278-3-1, Year of Publication 2025, PP. 44-77, Informatics Books & Journals Delhi (India).

"Climate Change: Causes, Impact, Mitigation & Adaptation" Paper presented in the International Multi-Disciplinary conference on "**Sustainable Future: Multidisciplinary Pathways to Education, Innovation and Global Wellbeing**" organized by GCG, Sector-52, Gurugram in collaboration with GC Rithoj, Gurugram held on January 29-30, 2026

Ms. Sarita Devi, Department of Geography

"An analysis of Aravali Biodiversity of Aravali Region: A case study of Aravali Biodiversity Park, Gurugram, Haryana" Paper presented in the International Multi-Disciplinary conference on "Sustainable Future: Multidisciplinary Pathways to Education, Innovation and Global Wellbeing" organized by GCG, Sector-52, Gurugram in collaboration with GC Rithoj, Gurugram held on January 29-30, 2026.

Participated in "Geo Smart India", Conference and Expo, organised by Haryana Space Application Centre (HARSAC), Bharat Mandapam, New Delhi, 1-4 December, 2025.

Ms. Sheela Yadav, Department of Geography

Participated in "Geo Smart India", Conference and Expo, organised by Haryana Space Application Centre (HARSAC), Bharat Mandapam, New Delhi, 1-4 December,2025.

"Sustainable The concept of smart city and challenges for its sustainability in India with special reference of New Delhi Future: Multidisciplinary Pathways to Education, Innovation and Global Wellbeing" organized by GCG, Sector-52, Gurugram in collaboration with GC Rithoj, Gurugram held on January 29-30,2026

Dr. Anu Indora, Assistant Professor, , Department of Hindi

Presented papers :-

- ✓ Presented paper on the topic “बहुभाषिकता, समता और समावेशी अधिगम: भारतीय संदर्भ में विश्लेषणात्मक अध्ययन ” in the International Conference on “Sustainable Future: Multidisciplinary Pathways to Education, Innovation and Global Well-being” on 29th -30th January 2026 at Government College for, Girls, Sector-52, Gurugram in collaboration with Government College Rithoj, Gurugram, Haryana.
- ✓ Presented paper on the topic “युवाओं द्वारा डोपिंग और मादक पदार्थ के दुरुपयोग के संदर्भ में शिक्षा की भूमिका: साक्ष्य और भविष्य की दिशाओं की समीक्षा” in the International Multidisciplinary Conference on “Youth at Risk: Doping and Drug Abuse” on 27th February 2026 at Chaudhary Ranbir Singh University Jind Haryana.
- ✓ Presented paper on the topic “शोध: यथार्थ के विभिन्न आयामों के उद्घाटन की प्रक्रिया का अध्ययन” in the International Conference on “ हिंदी भाषा और साहित्य शोध प्रविधि: परम्परा, नवाचार और डिजिटल युग की चुनौतियाँ” on 27th March 2026 at Ram Lal Aanand College, Delhi University.
- ✓ Presented paper on the topic “राष्ट्रीय चेतना का स्वर और हिंदी कविता” in the International Conference on “भारतीय ज्ञान परम्परा: शोध सम्भावनाएँ” on 2 April 2026 at Janki Devi Memorial College, Delhi University.

Ms. Ritu , Assistant Professor, Department of Commerce

- ✓ Attended One Week Workshop from 14th to 19th July 2025 organised by Government College for Girls, Sector 52, Gurugram in collaboration with IBM.

Presented papers :-

- ✓ Presented paper on the topic “Evaluating the Effectiveness of Digital Marketing Strategies in Organic Product Promotion: Evidence from Haryana” in the International Conference on “Sustainable Future: Multidisciplinary Pathways to Education, Innovation and Global Well-being” on 29th -30th January 2026 at

Government College for, Girls, Sector-52, Gurugram in collaboration with Government College Rithoj, Gurugram, Haryana.

- ✓ Presented paper titled “Innovative Teaching- Learning Practices as Catalysts for Transforming Higher Education under NEP 2020: Advancing Multidisciplinary Pathways for India’s Future” in One day Interdisciplinary National Seminar on “Transforming Higher Education through NEP 2020: Multidisciplinary Pathways for India’s Future” at Government College, Alewa, Jind, Haryana on 18th February 2026.

Dr. Mansi Arora , Assistant Professor , Department of Biotechnology

- ✓ Online Refresher Course on "AI in Education" from 14.11.25 to 27.11.25 organised by UGC MMT Panjab University, Chandigarh
- ✓ Awarded **Certificate of Best Research Paper** for **presenting paper** entitled “Revolutionizing Drug Discovery with privacy safe AI in Healthcare” in One Day National Seminar on Inter-Disciplinary Approaches in Advancing Modern Science organized by Smt. Aruna Asaf Ali Government Postgraduate College Kalka, (Panchkula), Haryana on 3rd February 2026.
- ✓ **Presented a paper** entitled “Precision Pathogens: The Dawn of Personalized Bioterrorism in the Genomic Era” in National Conference on Science, Technology and Interdisciplinary Research (NCSTIR-2026) organized by Department of Physics, M.M.H. College, Ghaziabad (U.P.) Government College, Raipur Rani, Panchkula on 24th and 25th February 2026.

Dr. Suman , Assistant Professor , Department of Zoology

- ✓ Refresher Course (online) on Recent Trends in Literature and Cultural Studies organized by UGC-MMTC, University of North Bengal, Raja Rammohunpur, Darjeeling from 03.07.2025 to 16.07.2025
- ✓ Delivered an Invited Talk on the topic ‘Targeting the Dorsolateral Prefrontal Cortex with Repetitive Transcranial magnetic Stimulation Reduces Pain and Symptoms Burden in Fibromyalgia’ at National conference on Science, Technology and Interdisciplinary Research (NCSTIR-2026) organized by MMH PG College, Ghaziabad, UP, India on 24-25 Feb, 2026

Ms. Rakhee Chauhan, Assistant Professor, Department of Zoology

- ✓ Oral presentation on the topic ‘Major Challenge in Biodiversity Conservation and Sustainable Growth’ in the One Day Multidisciplinary International Conference on

'Youth at Risk: Doping and Drug Abuse' organized by NSS Cell, Chaudhary Ranbir Singh University, Jind on 27.02.2026

Dr. Sushila Shrivastva, Professor, Department of Physics

- ✓ NEP 2020 orientation & Sensitisation Programme (online) organised By MMTTC of Shri Mata Vaishno Devi University, Katra, J & K. ON 29th Sept - 10th Oct, 2025
- ✓ Short Term Programme (online) organised by MMTTC, Shri Ram college of Commerce, University of Delhi ON 07th Jan - 13 Jan, 2026

Dr. Reeti Gupta, Assistant Professor, Department of Commerce

She has been actively engaged in academic and research activities during the year. She has published two research papers in peer-reviewed and indexed journals, including *JIM Quest: Journal of Management & Technology* and *Gurugram University Business Review*. She has also contributed two book chapters on Indigenous Knowledge Systems in higher education and GST reforms in India. In addition, she served as a Resource Person in a National Webinar sponsored by the Department of Higher Education, Government of Madhya Pradesh, on Indian Knowledge Systems. Her work reflects a sincere and consistent effort towards academic development and meaningful contribution to her field.

Dr. Nisha Assistant Professor , Department of Botany

She successfully completed her PhD under the guidance of Dr.Jinny Tomar on "Understanding the Role of inflammatory Caspases in Urinary Tract Infections using Computational Approaches" from Amity University.

Ms. Mili, Associate Professor, Department of Home Science

1. Published Paper titled "ROLE OF SOCIAL MEDIA ENGAGEMENT IN BUILDING BRAND LOYALTY: A STUDY OF FASHION BRANDS" in INTERNATIONAL JOURNAL OF PROGRESSIVE RESEARCH IN ENGINEERING MANAGEMENT AND SCIENCE (2025) in INTERNATIONAL JOURNAL OF PROGRESSIVE RESEARCH IN ENGINEERING MANAGEMENT AND SCIENCE (IJPREMS) (Int Peer Reviewed Journal) Vol. 05, Issue 10, October 2025, pp: 963-971, e-ISSN :2583-1062.

2. Paper published titled "SUSTAINABLE NUTRITION: INTEGRATING ENVIRONMENTAL AND HEALTH GOALS THROUGH PLANT-BASED INNOVATIONS (2025) in INTERNATIONAL JOURNAL OF PROGRESSIVE RESEARCH IN ENGINEERING MANAGEMENT AND SCIENCE (IJPREMS) (Int Peer Reviewed Journal) Vol. 05, Issue 10, October 2025, pp: 1082-1090, e-ISSN:2583-1062.

3. Paper published titled "Paper titled A study of financial literacy among entrepreneurs of imagined communities in textile weaving manufacturing in Panipat" in ISSN (Online): 2455-3662, EPRA International Journal of Multidisciplinary Research (IJMR) - Peer Reviewed Journal, Volume: 11, Issue: 9, September 2025.

4. Presented paper titled "Tech. Innovations driving sustainability in fashion and textiles: A systematic Review" in one day international seminar held at Govt. College sector-9, Gurugram on 17.01.2026.
