

**"The Smart Fellowship" program organized by Entrepreneurship Cell of GCG, Sector – 14, Gurugram**

"The Smart Fellowship" program organized by Entrepreneurship Cell of GCG, Sector – 14, Gurugram started on February 12, 2024 under the guidance of principal Dr Jitender Malik. The talk on the topic – "Roleplay: Problem Solving" was conducted in offline mode in GCG, Gurugram. Shivani Gupta was the trainer for this session. This session encouraged the students to apply all the learnings they had learned in the past two weeks through Masterclasses, Talks and Live Sessions. Students were introduced to Roleplay and Simulation Session on problem solving and smart thinking. These can be very useful for the students as they will be applying these concepts all by themselves to solve problems and think smartly. Dr Anita Rathi (Convener), Dr Seema Yadav, Dr Shashi and Ambika Sangwan members of Entrepreneurship Cell were present during the session.
